Classroom Phone Number: (563) 552-4227

A note from Mrs. Vorwald and Mrs. Huseman:

This week we did a lot of fun experimenting in Expedition! We watched our butterflies come out of their cocoons. We observed what happened to our wheat grass that we planted. The grass that was in the dark was yellow and the grass in the sunlight turned green. Surprisingly, the plants in the dark grew! We finished the week with our friendship dolphin gathering where we played a fun game with the entire school!

Please look over the Scholastic book order in the binders. You can also order books online. There are some great deals (books for \$1 even!) When you purchase books, our class will earn points toward books for our classroom! Our code is KPC9V. Check it out!

Reminders:

- * Please check your child's binder and agenda each night for notes and important information. **Please sign your child's agenda nightly!**
- * Don't forget to sign up for Remind 101. Just text **81010** with the message **@mrsvorw** to receive reminder texts from me about things going on in our classroom!

A Peek at the Week:

Morning Meeting: Healthy bodies-fitness, destressing and exercise.

Expedition: "Survive and Thrive" Expedition-Living Systems and the Human Body

Math: Multiplication and Division

Reader's Workshop: Main Idea and Details

Writer's Workshop: Preparing for the writing project

Dates to Remember:

Fri. Feb. 26– Dolphin Gathering

March 1-3– Conferences– we will send reminders home with times!

March 2 & 3– No School

Homework is on the back of this sheet! It will be given on Friday and due the following Friday at 8:40 a.m. **Please look over it and sign it when your child has completed it!**

Students should also be practicing their **math facts nightly** working especially on multiplication and subtraction. They may practice on www.factmonster.com.
